Thank You and Good Luck on the Next Season of Your Life!

Mrs. Singer

Mrs. Singer has been working at Melrose High School for 22 years. She taught in the classroom for years and has served as the English Department Director more recently. Making the decision to become an English teacher was an easy choice for Mrs. Singer because she enjoyed her English classes in high school. She studied as an undergrad at Boston University and landed a teaching job after graduating. Mrs. Singer later received two master's degrees, one from Boston College and one from Salem State. Over the course of Mrs. Singer's long career, her favorite experience has been meeting and getting to know different students. Helping them move forward in their education and discovering what they can accomplish have been a rewarding part of her journey. Melrose students have been kind and thoughtful, and they have given Mrs. Singer some of her fondest memories. She is proud when a student understands a complex topic or looks at something in a new way. Some activities that will continue for Mrs. Singer when she retires in June are: knitting, viewing new films, meeting with friends and family, and spending time reading. Her favorite book is *The Great Gatsby* because she considers it beautifully written and thinks that people can find something in the book that relates to their lives. Mrs. Singer anticipates that she will tutor and teach writing as well. She enjoys assisting students while they find that special life story to include in their college application essays. Also, refurbishing furniture and traveling frequently are part of her plan. Mrs. Singer will miss the people who she has worked with over the years, especially the English Department staff who provide an excellent educational experience for their students. She feels blessed to have had the opportunity to work with colleagues who care so much about students. While this chapter may be ending for Mrs. Singer, she is looking forward to the next chapter of her life and cannot wait to see where the adventure takes her.

Mrs. Melito

Mrs. Melito has worked at MHS for 20 years and has worked in the district for 32 years. An admiration for art and her love of creating her own works of art influenced her to become an art teacher. Her path to teaching was not a traditional one, however. On one occasion 30 years ago, a teacher at the Horace Mann Elementary School asked Mrs. Melito to teach an art class to other teachers. That was her first teaching job. She liked sharing her knowledge with everyone and was good at it. Still not having a formal teaching degree, she pursued teaching enrichment classes and doing various projects around the city. At that time, a friend convinced Mrs. Melito to take an art class and told her that she should be teaching. Mrs. Melito enrolled in her first college class at Salem State and eventually received her bachelor's degree to teach. Painting is her favorite to teach because it happens to be her favorite medium when creating her own pieces. Mrs. Melito finds satisfaction teaching Art 1 because she can encourage and help students find success, sometimes for the first time, in the field of art. Unlocking students' potential and watching students grow over the years as they continue to take art electives are some of the best parts of her job. She enjoys having students for 3 or 4 years and getting to know them. Interacting with students is something that Mrs. Melito will miss most. Having to grade students' art work is something that she will not miss, however. Out of all of her years of teaching, her favorite experience is taking students on field trips. Students are excited to be off campus; Mrs. Melito is thrilled that they are learning and do not even know it. Her proudest moment is giving out diplomas. Some hobbies that Mrs. Melito will continue to pursue in retirement are: painting, dabbling in home repairs, making soap, making jewelry and costumes, and creating 3D art. She also plans on writing a book about her creative life experiences. Mrs. Melito looks forward to her exciting future plans.

Dear Seniors,

Watching our favorite shows and movies is one of our favorite things to do, just like watching and enjoying all of the special moments and memories that we have made and experienced over the past four years! We cannot believe that some of us have been together since the *Boss Baby* days. From connecting with *Friends* to feeling like we are in an episode of *Grey's Anatomy* with our masks, we have enjoyed bringing together all of the favorites and fun that we have had in the past and were able to have this year! We wish you all the best!

Dear Ms. Edsall & Ms. Scott,

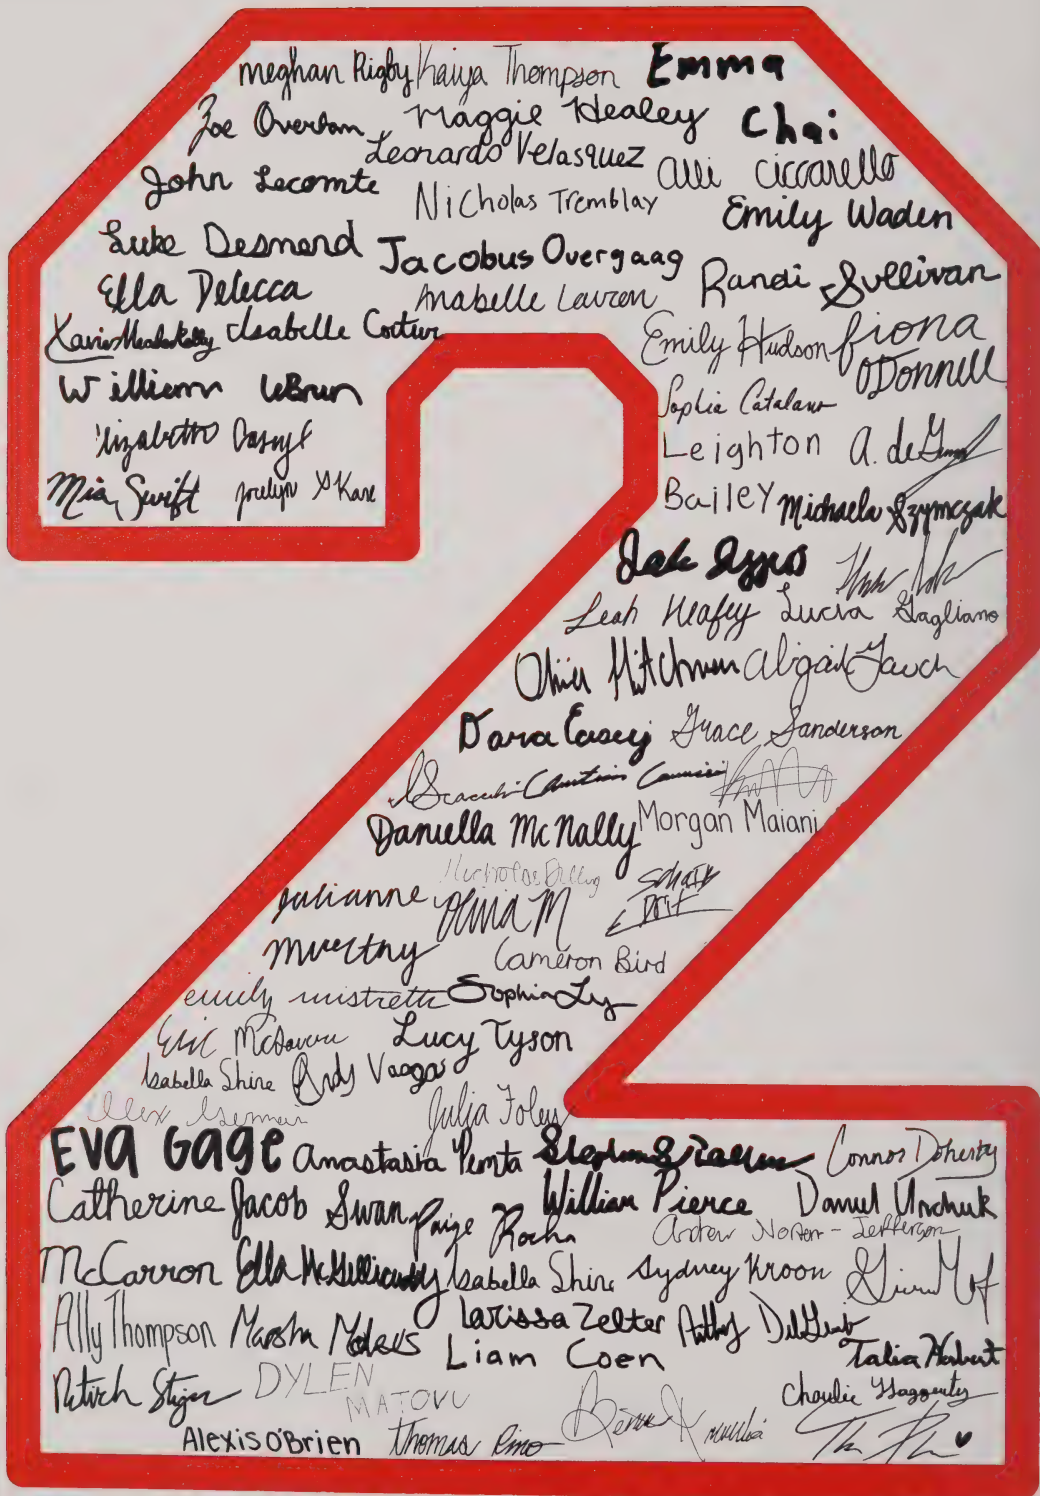

On behalf of our student government and the Class of 2021, we want to thank you from the bottom of our hearts. Every food fundraiser, dance, spirit week and class event could not have been successful without the help of you both. Your guidance and unwavering support did not go unnoticed by us or by the rest of the class. Ms. Edsall, you have been with us for all four years of high school. We thank you for working through your pregnancy and dealing with all of us! Ms. Scott, we thank you for stepping up to be our class advisor at the beginning of our junior year. You joined us right after we suffered a tremendous loss, and you filled an empty void. You both have helped us create high school memories that will last a lifetime. We cannot thank you enough for making the transition from junior to senior year so seamless with COVID-19. You both have made this year as special as you could for us under the circumstances. Our Wednesday morning meetings will be missed, as will you two. We are forever grateful for your dedication to the Class of 2021 and thank you for an absolutely wonderful four years.

We would be remiss if we did not take time to thank the man who will always be held close to our hearts as a mentor in life, Mr. Noone. Although an amazing student government advisor, Mr. Noone was so much more than that to us. He was a role model in and out of the classroom. Many MHS graduates have a Mr. Noone story – a story of how he shaped their paths, inspired passion within them and was a constant reminder of all the good there is in the world. One of the last of countless lessons that Mr. Noone taught us is that if you lead a life with the grace, courage, and humility that he lived each day, the stories do not pass with you. We speak on behalf of not just the Melrose High School community, but also the communities of Melrose, Swampscott and other cities and towns when we say that Mr. Noone stays with us in both our hearts and our minds with every turn that we take and decisions that we make. We could not have become the people who we are today without Mr. Noone helping to shape our futures. We owe Mr. Noone a debt of gratitude.

Wholeheartedly,

Ela DeCecca (Co-President), Dan Freed (Co-President), Haley Smith (Vice President, Secretary)

Nicholas Dulling

Congratulations Nick!

From the day you were born, we knew this day was coming. You are going to do great things in this world. You are kind, giving, smart, funny, and you have a big heart. You strive to help others, and you inspire those around you. Your singing and laughter will serve you well.

No matter where you go or what you do, you have all that you need. Your happiness is a reminder to make the best of every day. Your attitude is a reminder that no problem is too big. Your heart is a reminder that there is good all around us.

Always look forward, buckle up, go fast enough to get to the next stop, make mistakes, but remember you cannot go anywhere looking in the rearview mirror.

Love, Mom, Dad, and Max xoxo

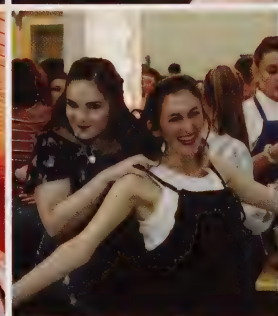

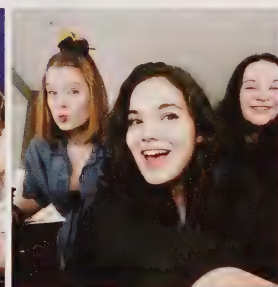

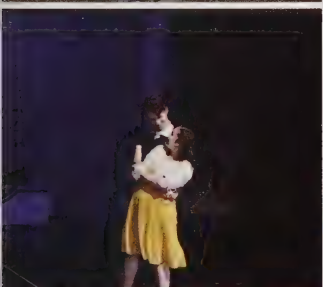

Dolores Salamurovic

"Your life is your story, and the adventure ahead of you is the journey to fulfill your own purpose and potential."

- Kerry Washington

I am so proud of you!

 *Dr. Kukenberger*

Max Vollertsen

How time flies! From toddler to teenager, and now, to the future; we've watched you grow, struggle and stretch. Just look at you now! You are the designer of your future; let honesty and integrity guide you; be true to yourself, kind to others, and thoughtful in your decisions. We cannot wait to watch you unwrap your potential, and become!

Love,
Mimi and Papa

Thank you for helping to lead us through this challenging time.

Good luck in the next chapter and never forget where you came from.

-Mr. Merrill, Ms. Berman, and Mr. Corrigan
